

AMI Expansion on Lookout Mountain

...your favorite traffic reporter is up here on Lookout Mountain again....

nice view of the center today!

just start the coffee

Yo...the wetlands are down here! ooh whats that smell?

we're waiting!

checkmate! again! i own your bike Bob

....to the right used to be the very first view east to the city...

i guess i owe you lunch Ned but this really did used to be a good place to catch a bite...

how long can a peak traffic volume hour last?

rats, we could have gone to Wyoming

that's gonna leave a mark

it's on full blast!

stand by the buffalo

cough

mom? are we at Buffalo Bill's yet?

ouch

race ya!

please, i have a meeting!

hold it up here

Emergency Egress Do Not Block

Hmmph! "scenic" my striped little *!%#@!

not sure that elk will fit on my gurney!

hurry Chuck!

so where is this great little wetlands?

actually..with a little weaving its fairly safe to cross at times like these

i duno Gladus, mating season just isn't worth the trouble anymore

gosh! where did all the water go?

...like last weekend, caused by a discarded cigarette but we've caught it in time...
